

Score History

Table includes columns of prior year scores as necessary to show the ten scores in the handicap calculation.

The GSGL handicap is the average of lowest 8 out of the past ten match scores.

An 11th column shows the score that has dropped out of the calculation.

New players start with three pro forma scores calculated from their handicap.

The handicap for new players with less than ten scores (including those three) is the average of scores to date.

Men turned 80 can play from Red tees; prior scores still used in handicap calculation reduced (GHIN rating/slope).

Men turned 87 and Women turned 80 can play from the Yellow tees. Prior scores were reduced by 7 strokes.

Makeup matches played in advance are used in sequence in handicap calculation. Dates played indicated by color.

Right-most salmon color was the '24 Tournament score.

	Tourn. 10/7		As of 9/16	As of 9/2	As of 8/23						Prior scores (incl. 2024)
