

GSGL End-of-Season Tournament

The Tournament is 9-hole stroke play with a Low Gross winner and top five Low Net winners in each Flight.

It will be followed by a pizza lunch at which we will award the above Tournament winners, the 9/30 match Low Net & Second in each flight, AND the top four season standings winners in each Flight for both individuals and teams. Also the most improved in each Flight.

One change from last year: This is a stroke play tournament so we usually eliminate the "Pickup when 5 over par" rule and have everyone play out every hole. But the drought has caused balls to keep running back down the hill on #2, and balls to run into the woods on both sides of the hill on #3. Rather than force players to keep trying endlessly, we will keep the hole score cap of "Par plus 5" after which you must pick up and enter "P" on the scorecard.

Attached are the foursomes and starting tees. To fit everyone in we have two groups on holes 1, 6, & 8. Please keep your group moving to prevent backups, slow-play pain, and cold pizza. Play "ready golf", don't keep waiting for others to hit first. No more than 3 minutes looking for your ball!

Someone in each threesome/foursome group will receive all the cards for that group. Each card contains one name and a blank, like mine shown below. Swap cards among your group so that you each keep someone else's score, and print your name in the blank to note your own score. Compare your own note with your official scorekeeper's after every hole so there is no dispute at the end. TOTAL all scores and sign both cards. Have someone from your group deliver them to the scoring table before going to their car. We will have 378 scores to add/verify/subtract-handicap before we can award prizes.

Over 70 cash prizes will be awarded including last week's low nets and the season results. Good luck.

GSGL Tournament
