Co-Chairs, Groton Senior Golf League

Dear Fellow Golfers,

Welcome to the Groton Senior Golf League (GSGL). Our league plays 9 holes on Tuesday mornings at the Groton Country Club starting the first Tuesday in May and ending with a 9-hole End-of-the-Year Tournament and Awards in early October. Players of any skill level and age 55 or older are welcome.

The fee to join the GSGL (100% is used for prizes & cookouts, including the End-of-Year tournament) remains at **\$90.00 per golfer or \$170.00 per couple**. Cart rental will be at a reduced rate of \$8 for Tuesday morning league play only. Non-Groton CC member greens fees will also be at a reduced rate of \$15 for Tuesday morning league play only.

The league teams include a player from every flight (A, B, C, D) and are balanced for handicaps, gender, & tees used as much as possible. The format is alternating weeks of team scrambles and team matches (each member plays a match against a player in the same flight from another team). All scrambles and individual matches have a shotgun start at 8:45 AM.

Standby players are those who won't be here all season but wish to play for fun as often as possible in the extra foursome or in any available opening. They also may be used as substitutes for scrambles in the same flight. If you are unable to be a full-time member but wish to play as a Standby, please indicate this on the application form and enclose your \$25. (Does not include greens fee and cart fee). If you are selected to play as a substitute in a scramble, you are eligible for scramble awards and skill prizes. A \$4 fee for lunch is separate.

Submitting an Application constitutes agreement with the Membership Agreement enclosed and posted on the website, including Item 8, a Waiver, Release, & Indemnification Agreement.

To apply for membership in the GSGL as a Player or a Standby, do the following:

1. Reply email that you want to join (& as which) to bobandersongroton@me.com
2. Mail the completed Application and a **check payable to GSGL** to:
